

OUTWARD BOUND

YOUTH LEADERSHIP CORPS EXPEDITIONS APPLICATION

WE WANT YOU

Outward Bound is seeking 15- to 17-year old students who demonstrate outstanding leadership qualities in their academic, athletic and social lives to apply for our Youth Leadership Corps Expeditions — merit-based scholarship awards for 14-day summer courses that bring together a diverse team of students representative of your regional community. Offering a one-of-a-kind leadership experience, our specialized curriculum will challenge you to strengthen your own abilities as you motivate each member of your team, push against obstacles within, and experience what lies beyond.

Each course includes rock or rope climbing, camping, map and compass navigation, and a unique solo experience. All participants will take part in reunion activities after their course, adopt a service project within their community, and act as delegates in recruiting new participants throughout the year.

OUR MISSION

Since 1962, Outward Bound USA has offered the highest quality wilderness expedition programs — sailing, backpacking, canoeing and rock climbing — to young people and adults across the country. Baltimore Chesapeake Bay Outward Bound Center and Philadelphia Outward Bound Center weave programs into the fabric of communities through partnerships with schools, local and regional youth-serving organizations and civic leaders. The mission of Outward Bound today remains true to its founding principles: to conduct safe, adventure-based courses structured to encourage growth and discovery and to inspire confidence, self-reliance, compassion and care for the environment.

The Outward Bound® Schools are nonprofit, tax-exempt, educational organizations and are approved as 501(c)(3) organizations under the Internal Revenue Code. All contributions are tax-deductible. Outward Bound considers applicants on an equal opportunity basis without regard to an applicant's race, color, creed, religion, sex, sexual orientation, age, disability or any other status protected by federal, state or local law.
